BOROUGH HALL: Due to the ongoing pandemic situation, the municipal building will no longer be open for uncontrolled public access effective November 5th. Residents are urged to use the drop box located in the foyer at Borough Hall for making payments and seeking various permits. For all other business, it will be necessary to schedule an appointment with the Borough personnel you wish to meet with by calling 732 462-1410.

CURBSIDE LEAF COLLECTION will begin in the Borough on November 9th and will continue through December 31, 2020. SUSTAINABLE JERSEY- “A Better Tomorrow, One Community At A Time”: All across New Jersey, hundreds of towns are now working on sustainability programs to help the environment, communities and their bottom lines. Efforts to curb carbon emissions, protect natural resources and reduce waste are happening at the local level. Through the voluntary program, communities are implementing solar power, wind turbine project, rain capture and re-use efforts. Freehold Borough has achieved Sustainable Jersey Bronze Certification in 2019 and continue to work maintaining the certification and implementing other initiatives. Looking at energy efficiency is another part of sustainability.
