What's New!

- **Programs via Zoom are in BLOOM!**
Though we can't meet in-person, your library is offering virtual programs. This month, the Conversation Cafe, Come Write In Writers group, a "Book Chat" (holding the place of our Book Group), a teen meeting, and Crochet Club. We're shaking-off the rust with a **Zumba class** on June 16! See details below, and contact us at the library if you need a little help accessing Zoom (or any library resources).
- **Library Card Sign-Up for Freehold Borough Students** Information was sent to students' homes about how to get library cards even while the library's doors are closed. With library cards, students can access ebooks, audiobooks and videos. Our goal is to have library cards in every student's "virtual" hand before summer.
- **Garden Behind the Garden.** Michael Zamorski, a member of Boy Scout Troop 18, has received approval to create a garden space behind the library (between the parking spaces and the Appleyard Family Reading Garden's fence) for his Eagle Scout project. Recently, the Borough removed two ash trees and some
- **Construction Grant Application Submitted!** Based on the information we have from the State, we anticipate knowing sometime in September which of the many libraries applying will be selected. Keep your fingers crossed!
- **Congratulations to the Freehold Borough Intermediate School Grant Writers Program** which was recognized by the New Jersey Department of Education. The library has been chosen as beneficiary by several of the program's grant writers with projects ranging from new children's books, shelves for expanding collections, and Spanish-language material for adults, teens and children.
- **Friends of the Library's "Tea Bag Letters" Fundraiser a success.** Though interrupted by the state of emergency, the Friends' campaign has so far raised \$160 for gifts to the library.
- **Free books** are available for the taking in front of the library (weather permitting). Take as many as you like, with our compliments.
- **Meet (via Zoom) @ the Library.** When the building was open, many groups and clubs, along with tutors and playgroups, met at the

please place the flag in a **sealed plastic bag** and put it in our book drop. Our Freehold TLC 4-H Club will arrange for respectful retirement of collected flags.

- Operation Save the Honeybees!** Local Beekeeper Anthony Accetta and his partner Linda rescued honeybee swarm that decided to gather in front of the library. Thanks to their quick action, the hive was saved. The Freehold Borough Police Department also helped keep pedestrians from stumbling into a buzzy surprise (see pictures at the bottom of this newsletter).

Dear Library Patron:

We trust you know how much you count as part of the Freehold Public Library family. You're far more than a (library card) number!

It's important, however, that you also *count* in the **United States Census**. Please take some time, if you haven't already, to fill out the questions at this link: <https://2020census.gov/>. If you need a little help, email or call the library (848-863-5075). We'll get back to you and walk you through the application (or help with the computer part, if you don't have access to the Internet).

And now the question everybody's asking me: ***When is the library going to reopen?*** As of this writing, we're working on plans, preparing the building, acquiring supplies and equipment, studying recommendations and best-practices shared by the New Jersey State Library and other library-focused entities, and paying very close attention to directives from Governor Murphy. As we move toward opening, both the Borough of Freehold, the Library Trustees and I will make the best decisions we can to protect your health and the health of library staff by reducing the spread of the SARS CoV-2 virus, while also connecting you with the resources you want and need. As they used to say, "stay tuned."

Sincerely,

Kathy Mulholland

Kathy Mulholland
Library Director
