NEIGHBORHOOD PRESERVATION PROGRAM: We are excited to announce the **Half Mile of Horses Art Walk Project** will be on display beginning August 1 through October 15, 2022. The project, funded by a grant from the New Jersey Department of Community Affairs Neighborhood Preservation Program (NPP) and local sponsorships will see a dozen model horse sculptures designed by local artists displayed at various locations along Main Street between Throckmorton and Spring Streets. Residents and visitors will be invited to view the artwork and vote on their favorites. The horse motif was selected to pay homage to the borough's long equine history. The borough solicited competitive proposals and 31 wonderful individual entries were received for the 12 available slots. The 12 finalists executed their design on the horse which is mounted and publically displayed. The project provides an opportunity for artists and sponsors to participate in a public art project combining creativity and history as well as to gain recognition in local art culture. The Half Mile of Horses Art Walk project is anticipated to generate interest in the Borough of Freehold as an emerging Arts Destination.
