JULY 4TH TRASH COLLECTION: Trash will not be collected on Independence Day, July 4th.

NEW WATER METER PROGRAM: The Mayor and Council have contracted with Saks Metering to conduct an area-wide mandatory water meter upgrade project. Saks' authorized installers will be working in the Borough with company uniforms, car signs, and photo ID. All installers have undergone N.J. State background checks. Typically, the upgrade should take no more than an hour. Your water meter is most likely located inside your home, basement, or crawl space. Very soon, you will be notified by the installer, Saks, with instructions on how to make an appointment for the installation of your new meter. You will be notified via a letter, emails, and a door hanger. Continue to check the Borough website for updates. If you have any questions, please call 732 462-4200.

POOL FILLS: Borough residents should contact the Water Dept. at 732 462 1410 to schedule a meter reading before and after filling their swimming pools. The fee for the meter reading is \$25.00. In that way, a credit can be issued on the next water bill for the water which did not enter the sewer system. The account must be paid up to date in order for a credit to be issued.

OLDE FREEHOLD DAY: Once again, the popular Olde Freehold Day will return to Lake Topanemus on Saturday, July 23rd. The day will feature boating on the lake, children's rides, contests, games and crafts, live music, treasure hunts and refreshments. Admission is free.

CURBSIDE BRUSH COLLECTION will be held during the month of July in the Borough.
