

BOROUGH HALL: Due to increasing concerns about the ongoing pandemic situation and in conformance with the Governor's most recent Executive Order #192, the municipal building will no longer be open for uncontrolled public access effective November 5th. Residents are urged to use the drop box located in the foyer at Borough Hall for making payments and seeking various permits. For all other business, it will be necessary to schedule an appointment with the Borough personnel you wish to meet with by calling 732 462-1410.
