

# RainyDayPizzaFund.com

## Raise. Help. Support.

*Raising* money to *help* those affected by Covid19 in the community and *supporting* a Freehold business.

## Our Cause

The Rainy Day Pizza Fund was created as a way of helping the unemployed and those in need in our community. The money donated to our GoFundMe page (Rainy Day Pizza Fund) will all go to ordering pizza pies to those in need. The Covid19 effects have left many people worried about when or what their next meal will be. By donating money to our cause we can help reduce those worries. We understand that times are tough, but if you can, please donate. ***Also if you are in need of food please look at the steps on how to order, so your family can enjoy a pizza pie.***

### Criteria To Order

The criteria to order is: you must be unemployed or in need, you must live in Freehold, and each family can get up to two **FREE** pizza pies max. If you fit this criteria please check out the steps to order. Also, remember that the hours to order are from 12 noon to 8 p.m. and the only thing that can be ordered is a large plain cheese pie. Delivery and tip are included.

### How To Order

To order please check out our website [rainydaypizzafund.com/contact/](http://rainydaypizzafund.com/contact/) and read the simple instructions. Order while funds are available.

### How To Donate

To donate please go to our GoFundMe page called Rainy Day Pizza fund and donate whatever you can. All donations help!

**[gofundme.com/f/rainy-day-pizza-fund](https://gofundme.com/f/rainy-day-pizza-fund)**

I started the fund with \$400 of my own money. I've lived in Freehold all my life and I'm currently a freshman at Freehold Township High School. This idea came to me when I saw the impact of Covid19 and the effects it had on my community. I realized that there were many families now unemployed. My goal is to help support the families in need and at the same time help a local small business.
