

An important message from Mayor J. Nolan Higgins

During the past several weeks, we have seen the reports of natural disasters in Texas, Louisiana, Florida, the southeastern United States, Puerto Rico, U.S. Virgin islands and other islands in the Caribbean, and Mexico. Many lives have been lost, homes destroyed, economies derailed, and lives changed forever.

On behalf of all the residents of Freehold Borough, we extend our concern and hope for a rapid recovery to all those affected in this series of terrible events. To our residents who have family and friends in these devastated areas, you and your loved ones are in our daily thoughts.

I am asking all our residents to please consider making a donation to a relief agency of your choice. This work will not be completed in the short term; rather, people and communities will need support for months and years to come.

Please also remember our first responders and relief workers who face a daunting challenge in helping the victims during and after these events.

Thank you.

J. Nolan Higgins, Mayor
Borough of Freehold
51 West Main St.
Freehold, N.J. 07728
