

PARTICIPATORY BUDGETING UPDATE

You might say we have a slight rain delay, but you'll be hearing more from us very soon. The projects are currently being evaluated and decisions made about which ones will go on the ballot.

While we have a moment, we'll explain **the next steps**.

The approved capital projects will be announced. Letters or emails will go to all residents who submitted projects to tell them the status of their idea.

Next, we will hold a Town Hall meeting to allow those who submitted accepted ideas to explain their project. This will be their chance to sway voters to support them.

Then the ballots will be distributed (online and hard copies) and the voting process will be explained.

The top vote getters, within our \$200,000 budget, will be funded for completion.

Yes, you will vote for capital improvements that you, the residents, have suggested.

We don't have any organ music to play as we prepare for the next step. Just hang in there and we'll keep you informed.
