

FREEHOLD BOROUGH ROAD CLOSURES – MARCH 8, 2016

Utility construction will be underway in several locations in the Borough today, March 8th. Residents will have limited, if any, access to these locations and should plan their activities accordingly.

- Hudson St. is closed from Center St. to Elm St;
- Mechanic St. is closed from the intersection of Hudson St. to Jackson St.;
- Jerseyville Ave. is closed from the rear of the former FoodTown to Washington St., which also includes the intersection of Parker Street.

Construction work should be completed by 5:00 p.m. Please refer to the attached maps for more information.

Hudson Street Closure

Jerseyville Avenue Closure
