

IMPORTANT REMINDER

SAK's Metering, the company hired by Freehold Borough to install mandatory new water meters, is nearing the completion of its work. At some point in the very near future, Freehold Borough will not be able to supply water to your property unless the new water meter has been installed.

The deadline for the installation of the new meter is April 30, 2017.

Please contact Saks Metering to schedule an appointment to receive the upgrade by visiting SaksMetering.com and click on "Make an Appointment". You can also email them at info@saksmetering.com, or by calling their office at 732 730-5633.

Thank you for your prompt attention to this matter.
