All brush must be cut into lengths of 4 ft. or less and placed at the curb for pickup. Leaves should be piled at the curb in separate piles from the brush. Please be sure the brush and leaves do not interfere with any storm drains in your area. Residents also have the option of taking their brush to the DPW site located at 161 Center St. on the first Saturday of each month from 7:00 a.m. – noon.

FALL HYDRANT FLUSHING: Fall flushing of fire hydrants will be conducted on Tuesday, October 19, 2021, starting at 8:00 a.m. and continuing until all flushing has been completed. Residents may notice lower water pressure and slight discoloration of the water as the flushing is performed in your area. The discoloration is not harmful, and will clear up if you allow the water to run for a few extra minutes.
