Dear Library Patron

Thank you for your patience during this long renovation process. We can *almost* see the proverbial light at the end of the tunnel. It will all be worth it!

In the meantime, we continue to offer library services at Borough Hall. Hundreds of students have received their library card information in order to access our digital resources. Newer books (since September 2022) remain available (all material acquired before then are safely held in storage). And, of course, our ever-popular computers with printing (and library staff assistance), as well as notary and reference services, continue. We're easing back into adult programs such as the Book Group and Come Write In!, meeting at our temporary location until we may return "home."

On behalf of all of us at the library, wishing you a warm Thanksgiving abundant with joy and peace.

Be well; be well informed.
