## Special Commercial Parking Permit

**Market Yard Parking Lot Designated Spaces — \$10.00 Annual Fee**

Due to a business location adjacent to the Market Yard Parking Lot and the business premises lacking on-site parking, a company may be eligible for a "Special Commercial Vehicle Parking Permit". The purpose of this permit is to authorize your marked commercial vehicle to park in the Market Yard. Space has been reserved for commercial vehicles at marked commercial vehicle parking spaces along the rear fence. If unable to locate an available commercial vehicle parking space please park in the permit parking spaces market with yellow lines at the ends of each row. This permit is only valid for legally registered "Commercial vehicles" that have the required business marking on the vehicle. Your license plate is your permit.
