PREAMBLE

This Agreement, made by and between the Borough of Freehold, in the County of Monmouth, a Municipal Corporation of the State of New Jersey (hereinafter called "the Borough"), and Freehold Borough Police Benevolent Association, Local #159, (hereinafter called "the Association"), represents the complete and final understanding between the Borough and the Association.

ARTICLE I: RECOGNITION OF ASSOCIATION

The Borough recognizes the Association during the term of this Agreement as the exclusive representative of the Freehold Borough Police Department up to and including the rank of Sergeant and further excluding confidential employees.

ARTICLE II: PURPOSE OF AGREEMENT

SECTION 1:

It is the intent and purpose of the parties hereto that this Agreement cover rates of pay, hours of work, and conditions of employment.

SECTION 2:

It is recognized that by granting the benefits contained herein, the Borough is adding greatly to the cost of operation and increasing the burden upon the taxpayers of the Municipality. This Agreement, therefore, is made with the understanding that the Association and its members will continue to cooperate with the Borough in promoting better efficiency and more production per manhour. It is further recognized that the successful operation of the Municipality can be assured only through the cooperation of the parties hereto.

SECTION 3:

In consideration of the obligations assumed by the Borough of this Agreement, the Association recognizes its responsibilities to secure and sustain maximum productivity and cooperation per employee during the term of this Agreement in order that the Borough may receive a fair return for the benefits and materials contained herein. It is further understood and agreed that the Borough will cooperate with the employees and the Association in order to assure that each of the parties hereto shall secure maximum benefits from the within Agreement and engage in a period of mutual cooperation.

ARTICLE III: MANAGEMENT RIGHTS CLAUSE

It is recognized that the Borough has, and will continue to retain, the rights and responsibilities to direct the affairs of the Police Department in all its various aspects. Among the rights retained by the Borough are its rights to direct the working forces; to plan, direct, and control all the operations and services of the Department; to determine the methods, means, organization and personnel by which such operations and services are to be conducted; to contract for the subcontract-out services; to relieve employees for legitimate reasons; to make and enforce reasonable rules and regulations; to change or eliminate existing methods, equipment or facilities; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement, and that a grievance may be filed by the Association alleging such conflict.

ARTICLE IV: EMPLOYEE RIGHTS

SECTION 1:

The Borough and the Association agree not to discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation or sex and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status,

affectional or sexual orientation or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training.

SECTION 2:

The Borough and the Association agree not to interfere with the rights of employees to become or not become members of the bargaining unit; and further, that there shall be no discrimination or coercion against any employees because of Association membership or non-membership.

SECTION 3:

No employee shall be disciplined without just cause.

SECTION 4:

All employees shall receive a copy of anything (other than confidential letters of reference) placed in his or her personnel file. The employee shall sign the file copy for the sole purpose of indicating receipt of a copy.

ARTICLE V: GRIEVANCE PROCEDURE

SECTION 1: GENERAL

In the operation of the Police Department, it is recognized that, on occasion, a complaint may arise between the Borough and the Association, or between the Borough or any one or more employees concerning interpretation, application or violation of policies, agreements, and administrative decisions affecting them. The Borough and the Association earnestly desire that such grievances be promptly settled so that the efficiency of the Department shall not be interrupted, and morale of the employees shall not be impaired. Accordingly, a procedure for grievance of any such complaints that may arise, which procedure will be kept informal, is outlined hereinafter.

Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter

informally with an appropriate member of the departmental supervisory staff and having the grievance adjusted without the intervention of the Association.

SECTION 2: PROCEDURE TO BE FOLLOWED

The Association and the Borough specifically agree that the grievance procedure shall be the sole and exclusive method available for adjusting employee complaints, except such additional methods as are provided for in Civil Service Regulations affecting the job category for the employees who are affected by the within Agreement. Accordingly, the Association pledges that if any dispute arises under this Agreement, it shall be settled in the manner provided for in this Article, and pending such a settlement, all employees shall carry out their assignments as directed by the Borough and their supervisory officers.

If any employee should refuse to follow the settlement procedure herein, but rather takes some other action, except such action as is provided for in Civil Service Regulations, such other action shall constitute a violation of this Agreement, and shall make the employees and all other employees participating in such violation subject to disciplinary procedures at the discretion of the Borough, and subject to the provisions of the Civil Service Regulations. Any discharge or disciplinary action by the Borough or supervisory employee may be appealed by the employee or the Association in accordance with the grievance procedure. A complaint or grievance of any officer relating to conditions of work, if not otherwise provided for in law, rules, or regulations shall be settled in the following manner:

Step One: The aggrieved shall institute action under the provisions hereof within seven (7) calendar days after the event giving rise to the grievance. The action will be instituted by the grievant submitting a signed statement setting forth, in writing, a concise factual report of the grievance. An earnest effort shall be made to settle the differences between the aggrieved and the Lieutenant/Captain assigned to this duty at the time the grievance is filed for the purpose of resolving the matter informally. Failure to institute action within the said seven calendar day limitation may be extended upon presentation to the Borough of a physician's certificate attesting to the incapacity of the grievant to file within the prescribed time.

The Lieutenant/Captain shall make an effort to resolve the problem within a reasonable time, but shall render a decision in writing within seven (7) days after receipt of the grievance.

Step Two: If the grievance is not settled at the first step, the grievant may make written request for a second step meeting within five (5) calendar days after the issuance of the written decision at the first step. The Chief, or his designee, shall set a meeting within five (5) calendar days after the request, or for such other time as is mutually agreeable. The Chief's answer to the second step shall be delivered, in writing, to the grievant and the Association within seven (7) calendar days after the meeting.

Step Three: If the aggrieved person is not satisfied with the handling or result of the grievance at the second step, he may, within five (5) calendar days, notify the Business Administrator or duly authorized designee that he/she wishes to have the Administrator rule on the aggrieved matter. A meeting shall be set within ten (10) days after the Business Administrator has received the request that he or she rule on the matter. The Business Administrator's or designee's decision shall be delivered, in writing, to the grievant and the Association within ten (10) calendar days after said meeting.

Step Four: Should the aggrieved person be dissatisfied with the decision of the Business Administrator, and if the grievance alleges a violation, misapplication or misinterpretation of the specific provisions of this Agreement, the Association may submit the dispute to final and binding arbitration pursuant to the rules and regulations of the New Jersey Public Employment Relations Commission (PERC). The decision of the arbitrator shall be final and binding on all parties to the dispute. The arbitrator shall limit his decision to the issue submitted, and he shall be without power to add to, delete from, or modify the provisions of this Agreement.

SECTION 3: REPRESENTATION

In using the grievance procedure established herein, an employee is entitled at each step to be represented by his Association representative or an attorney chosen by the Association or individual grievant, but not by both. However, both may be present.

SECTION 4: TIME LIMITS

Failure by the aggrieved or the Association to forward a grievance within the specified time limits shall terminate the grievance. Failure to respond to a grievance within the specified time limits shall permit the aggrieved to advance to the next step.

SECTION 3:

Personal days may be taken with planned vacation days, provided that requests are made in a manner that is consistent with current procedures.

SECTION 4:

Personal days may be used in (4) hour increments.

ARTICLE VIII: COMPENSATION

SECTION 1:

If, under the pressures of business, it is necessary that a sergeant be assigned to duties of a higher rank due to sickness, then that sergeant temporarily assigned to the higher rank, if he performs the services for a period of forty (40) consecutive hours or more, shall receive for such continued services, after said initial forty (40) hours, the pay of the higher rank for the period of such services up to seventy (70) days.

SECTION 2:

Whenever a sergeant is not on duty, the senior patrolman (Officer in Charge) shall be paid at the sergeant's rate of pay for that particular shift, provided the patrolman works as a supervisor for more than two (2) hours on that shift. In lieu of compensation, the Officer in Charge can opt for two (2) hours of compensatory time for a full shift. In other words, four (4) hours of Officer in Charge time would equate to one (1) hour of compensatory time.

ARTICLE IX: DETECTIVE INCREMENT

SECTION 1:

Any member permanently assigned as a Detective or Detective Sergeant shall receive additional compensation of one thousand dollars (\$1,000) per year added to their base salary.

As of January 1, 2019 the detective increment shall be (\$1,500) per year added to their base salary.

- c. If an employee is called in especially for overtime work, he shall be entitled to compensation for not less than two (2) hours overtime pay.
- d. It is agreed that every effort will be made that Court appearances will be scheduled to avoid overtime work.

If such scheduling cannot be made and overtime work is required by reason of a Court appearance, the employee shall be compensated overtime pay for such appearance

for actual time worked, and paragraph (c) herein shall not apply.

Section 4:

In instances where the regularly scheduled Sergeant or officer in charge of a patrol shift becomes unavailable due to illness or otherwise and such unavailability leaves a shift undermanned requiring the services of a supervisor, the right of first refusal for the resulting overtime shall be offered in the following order:

1. Sergeants; 2. Lieutenants and Captains including Administration; 3. Patrol officer

SECTION 5: COMPENSATORY TIME OFF

An officer cannot accumulate more than forty (40) hours of compensatory time at any time, unless specific authorization is received from the Chief of Police. There shall be no time limit within which an employee has to use any of the forty (40) hours of accumulated compensatory time. An employee can require payment for all compensatory time in excess of forty (40) hours.
2. The borough reserves the right to analyze compensatory time on a quarterly basis and issue payments for compensatory time accrued over 40 hours at its discretion. If the Borough intends to issue payments for compensatory time at least one week notice shall be given to the PBA.
3. It is the responsibility of the shift sergeant or officer in charge of the shift to authorize compensatory time off. Compensatory time off can only be approved when the shift sergeant or officer in charge is sure that sufficient officers are present to provide minimum shift coverage for the particular shift in question, given existing community policing needs as determined by the Chief of Police.

4. Officers shall provide at least 2 hours' notice to request compensatory time off.
5. The use of compensatory time shall not be denied solely because the use of said time causes the department overtime. 29 U.S.C. Section 7(o)(5) of the FLSA provides that "any employee of a public agency who has accrued compensatory time and requested use of this compensatory time, shall be permitted to use such time within a "reasonable period" after making the request. The Union agrees to indemnify and hold the employer harmless against any liability which may arise by reason of any action taken by the employer in complying with the provisions of this Article, provided the employer gives the Union timely notice, in writing, of any claim, demand, suit or other form of liability arising out of the implementation of this Article.
